May 2:
Senior Service Send Off

May 3-11:
Guatemala

May 14:
Graduation

ELEMENTARY

BUTTER

SO MUCH FUN

WALK-A-THON

WHCS held a Walk-a-Thon with indoor activities. NJHS helped with the event and the money raised will go towards buying PA systems for the pavilion and the front of the school.

HS ACADEMIES

Back in October, the students visited the PCSO and met Grady Judd.

The academy students recently went to the FDLE in Tampa.

CRIMINAL JUSTICE

The CJ Academy recently finished up a lesson on the five approaches of criminal sentencing.

Kids have been so into the topic and have added great feedback as to which approach they personally align with the best. Those approaches are: incapacitation, retribution, rehabilitation, restorative, deterrence and why they feel that way.

They also had a great week-long class discussion about the War on Drugs and whether or not drug sentences should be harsher or more lenient. Believe it or not, these kids had some great talking points and this discussion turned into a week-long exchange of thoughts, implementations for the future, and most importantly it got the kids thinking about the bigger picture of the Criminal Justice System.

School archers attend FL National Archery Tournament

This year WHCS is proud to announce that 10 Archers represented WHCS at the 2024 Florida National Archery in the Schools Program (NASP) State Tournament in Gainesville. Saturday, April 6, these Archers shot against 707 other Archers.

After many weeks of dedicated practice, these Archers performed well at competition. In Archery, the highest score you can get is 300 points. This team is really proud of every Archer for scoring over 200 points at the Florida NASP State Tournament!

Scoring as follows: Anon Fiskum (268)*, Cecelia Walls (268)*, Tyrus Lanphar (263)*, Amelia Walls (262)*, India Walls (252), Raija Fiskum (251), Sebastian Makal (239), Landon Ellery (226)*, Lyla Tingley (218), and Julianne Selent (211).

Thank you Coach Selent and Mrs. Walls for your coaching and congratulations to the Archery Team for your performance at this State Tournament! Go Warriors!!

* Career Best

WARRIOR SPORTS

WHCS Senior has fond memories of Track & Field

Nathalia Del Valle-Martinez is a senior here at WHCS and her favorite subject is English. When she is not busy with school and sports she loves to spend her time by hanging out with her friends. Nathalia has participated in three sports here at WHCS, including cross country and cheer.

She just wrapped up the track and field season and enjoyed every minute of it! She did the discus throw, 100 meter dash, 200 meter dash, and 1,600 meter. Some of her personal records in this sport are: discus throw (48'6"), 100 meter dash (15.06 seconds), 200 meter dash (30.69 seconds), and 1,600 meter (7:12).

When asked what her favorite part about being on the track and field team is she replied with "My favorite part was being able to make new memories with the team". She also says that her favorite track and field memory is going out to eat after track meets.

A personal goal that Nathalia was working on was to set a new record for track and field, of which she has accomplished! After she graduates from WHCS she is planning on going to college and working towards earning a degree in hospitality and tourism. With this degree she can apply to be a travel agent in various companies.

With a busy schedule that includes sports, school, and preparing for the future, there has to be some kind of motivation to get her up and going every day and then start the cycle over again every morning. When I asked her what 'gets her going' she replied with "Honestly, what 'gets me going' in the mornings is just to make it until Friday." Thank you, Nathalia, for working hard in everything you do here at WHCS! Go Warriors!!
