

Athletic Sponsorship

Dear Friends,

Winter Haven Christian School is a local 501c3 Christian school founded in 1965 and serving the community as an independent, interdenominational school. In addition to developing our future leaders by providing a learning environment where our students can grow strong in mind, spirit, and body, our sports programs are passionate about developing athletes into responsible, Godly young men and women. We are in the process of growing our athletic program to continue that mentorship and discipleship. Our volunteer coaches and staff are dedicated to using their time and efforts to train these young athletes. As we look to the future of our programs, we are looking to the community to partner with us in this endeavor.

We are seeking community leaders to become a school sponsor. As with any endeavor, there is always a cost. Our goal is to give more students the option and ability to play sports. Your contributions would help offset athletic expenses such as referees, gym/field rental, maintenance, and team equipment. The sponsorship runs from July 1 to June 20 of each year. We ask that you prayerfully consider one of the following selections on the next page.
