Dear Mr. Klein,

It was a pleasure meeting you and learning about the mission of Winter Haven Christian School. I was pleased to learn of your vision for the future as you transition to offering high school level courses. Warner University's mission is to graduate individuals who exemplify academic excellence and Christian character, who are prepared to lead and committed to serve. I am confident that this mission statement resonates with you as you serve so affectively in a leadership position within a Christian school.

Because of our similar commitments to Christian education we are happy to work with Winter Haven Christian School in the area of dual enrollment. It is a great benefit for high school students to have an opportunity to earn college credit while finishing their diploma, especially in a similar Christian environment. It is my belief that our partnership will work to advance Christian learning and further the work of the Kingdom. If my team at Warner can assist you in any way, please do not hesitate to contact us.

Sincerely,

Gregory Hall, Ed.D.
President
